The first maintenance fee paid for this patent on December 30, 2010, by the patent owner's payment agent, Dennemeyer & Co. Luxembourg, was erroneously paid at the small entity rate.

The deficiency fee is itemized and calculated as follows. The first maintenance fee paid on December 30, 2010 was paid at the small entity rate of \$490.00. The large entity rate for the first maintenance fee, as of the date of mailing this notification, is \$980.00. Enclosed is a deficiency payment in the amount of \$490.00, representing the difference between the current first patent maintenance fee at the large entity rate (\$980.00), and the fee previously erroneously paid at the small entity rate (\$490.00).

Also enclosed is a Change Of Correspondence Address for the undersigned Attorney Of Record.

Respectfully submitted,
